THE FEAST OF THEOPHANY-ΕΠΙΦΑΝΙΑ: ITS TRANSFORMATIVE POWER IN THE MODERN WORLD

Fr. Athanasios Nenes

The Feast of Theophany-Epiphany is a momentous occasion in Christian Orthodox tradition. Celebrated on January 6th, it represents the baptism of Jesus in the Jordan River and the manifestation of the Holy Trinity to the world. This feast holds great significance as it resonates with the challenges and opportunities we face in the modern world. In this article, we will explore how the Feast of Theophany-Epiphany affects our lives, offering powerful insights and guidance in navigating the complexities of our contemporary society.

Renewal through Baptism

The baptism of Jesus at the Jordan River serves as a symbol of spiritual renewal. The Feast of Theophany-Epiphany reminds us of our own baptism and calls us to continually renew our commitment to a life devoted to Christ. In the modern world, where we often face distractions, disillusionment, and spiritual complacency, this feast encourages us to recenter our lives on our baptismal promises. It urges us to seek a renewed relationship with God, allowing His transformative grace to shape our thoughts, actions, and relationships.

Reconciliation and Healing

Theophany-Epiphany also reveals God's desire for reconciliation and healing. As Jesus emerged from the waters of the Jordan, the Holy Trinity was present, signifying the unity between the Father, Son, and Holy Spirit. In our fragmented and divided world, this feast calls us to pursue reconciliation and unity. It challenges us to transcend societal divisions, embracing the transformative power of forgiveness and healing in our relationships. By imitating Christ, we become agents of change, promoting peace and justice in an increasingly polarized world.

Encountering the Divine

Theophany-Epiphany celebrates the manifestation of the Holy Trinity to humanity. It invites us to encounter the divine presence in our lives and to deepen our relationship with God. In the modern world, where secularism and materialism often cloud our spiritual vision, this feast serves as a reminder that our ultimate fulfillment lies in communion with the divine. It prompts us to seek moments of silence, prayer, and contemplation, allowing the transformative presence of God to permeate our hearts and guide our decisions.

Proclaiming the Gospel

The Feast of Theophany-Epiphany empowers us to boldly proclaim the Gospel in the modern world. Just as John the Baptist proclaimed the coming of Christ, this feast encourages us to bear witness to the transformative power of Christ's message. It challenges us to engage with our communities, sharing the good news of hope, love, and redemption. In a world hungering for meaning and purpose, Epiphany compels us to live out our faith authentically, being living examples of Christ's teachings.

The Feast of Theophany-Epiphany offers profound insights and transformative power in the modern world. Through its celebration, we are called to personal renewal, reconciliation, encountering the divine presence, and proclaiming the Gospel. By embracing these values, we can navigate the challenges of our contemporary society with faith, purpose, and renewed hope. As we continue to celebrate this feast, may it shape our lives and inspire us to be agents of transformative change, bringing light and love to the world around us.

«Δόξα τῷ Θεῷ Πάντων Ἐνεκεν» GLORY TO GOD FOR ALL

Αδέλφια μου,

Εισερχόμενοι στην νέα χρονιά, είναι ο καιρός να αναλογιστούμε τα πεπραγμένα μας της προηγούμενης χρονιάς και να προγραμματίσουμε αυτά που θέλουμε να πράξουμε. Είναι ο καιρός πλέον να πολλαπλασιάσουμε τα καλά και αγαθά που πράξαμε, να διορθώσουμε τα λάθη μας και να βελτιώσουμε τον εαυτό μας σε τυχόν αστοχίες μας. Αυτά όλα βέβαια με την προϋπόθεση ότι έχουμε ως βάση και γνώμονα την πίστη και την αγάπη μας στον Κύριο μας Ιησού Χριστό και την εκκλησία Του! Καλή και Ευλογημένη Χρονιά!

*Ο εφημέριός σας,
 Π. Αθανάσιος Νένης*

My beloved!

As we enter the new year, it is time to reflect on what we have done in the past year and to plan what we want to do. It is time to multiply all the good things that we have done, to correct our mistakes and to improve ourselves in any of our failures. All this, of course, provided we have as a basis and guide our faith and love in our Lord Jesus Christ and His church! Have a happy, blessed and prosperous New Year!

*Your parish priest,
 Fr. Athanasios Nenes*

Father Athanasi will be away from January 16 through January 29. In case of an after hours emergency please call George Faggas at 617.592.3095.

On behalf of the group, we would like to wish everyone in the Archangels family the blessings of Christmas and happiness in the New Year.

There was a man who took a shovel into his backyard each day to dig up a box containing money that he had buried in the ground. Every day he would look at it, count it, and then bury it again.

One day he dug in the usual spot and found that his box and the money were gone. He let out a cry, which brought his neighbor to ask what was the matter. Upon hearing what had happened, the neighbor asked, "What's all the fuss? You weren't using it anyway. Maybe the person who has it now will use it to do good!"

In the Gospel of Matthew, we read the Parable of the Talents, in which a man leaving on a long journey called three of his servants and entrusted to each a certain sum of money measured in talents. To one he gave five, to another he gave two and to the third, he gave one talent. Upon his return, the man called his servants to give account for the money with which he had entrusted them. The first two, by wise use of the money had doubled the amount they had received. To these he praised with the words, "Well done, good and faithful servant; you were faithful over a few things, I will make you ruler over many things. Enter into the joy of your lord."

The third servant, who had received one talent, out of fear, had buried the talent in the ground. Upon the man's return, this servant returned to him only the one talent. In anger, the man called him a "wicked and lazy servant," and taking away the one talent, he gave it to the servant who had ten.

Jesus gave this parable for us to consider the gifts that God has given us. Although we all receive different gifts, there is no difference in God's reward for what we accomplish with them. If you want to be a faithful servant, then take whatever you have and offer it faithfully to the Lord. It is not about how much ability you have, it is what you do with it.

The gifts we receive are to be multiplied. They are not to be buried in the ground. About this, Saint Gregory the Great wrote that hiding our talent in the earth, is to use our gifts only for earthly things.

In the time of Jesus, a talent referred to substantial amount of money. The message to us today is that God gives each of us something of considerable value and expects good stewardship and a return on what He has given. Although Jesus speaks to us about money in the Parable of the Talents, He is really talking about something far more important.

Whatever blessings we receive, we are to multiply them. We were given our church – our local parish – built by our ancestors and all who have gone before us. We are to grow it – to multiply it – by adding to the number of faithful and growing her ministries. In the Old Testament book of Deuteronomy (16:17), we read, "Every man shall give as he is able, according to the blessing of the Lord thy God which He hath given thee."

When we cling tightly to our wealth, we are like the man, when forced to swim from a sinking ship, couldn't bear to leave his money behind. He strapped his gold to his body, but as he swam toward shore, the weight of the gold pulled him under and he drowned. Do we own our money or does our money own us?

God gave us his love – do we multiply it or do we keep it for ourselves?

God gave us the Gospel – do we multiply it or do we keep it for ourselves?

God gave us the Church – do we multiply it or do we keep it for ourselves?

Our gift to God and His Church is a sacred act, a form of worship, and a response to all his blessings in our life -- our bodies, our family, the environment, our time, our faith, our neighbor,

Stewardship is our spirituality in action, our faith in action, our theology in action. Stewardship is personal – between Jesus and us – an expression of love and commitment. A response to all that he has given us.

Some day we will stand before God and show Him what we did with all that He entrusted to us. If we have been faithful stewards of our gifts, He will say to us, "Well done, good and faithful servant. Enter into the joy of your Lord."
